

Trick or Snow by by Luis Zavaleta & Nox

When Halloween meets Christmas... magic fixes everything!

Luis Zavaleta presents **TRICK OR SNOW** is a fast, visual and entertaining scarf transformation from a Christmas design into a Halloween design - and also can be used in your Christmas shows , showing a Halloween scarf that changes into a Christmas scarf!

Designed as a perfect opening effect for this holidays, **TRICK OR SNOW** creates an immediate visual moment that your audience understands instantly. No long introduction, no complicated story - just a colorful, surprising transformation that gets the show started with surprise and a smile. The fun comes from the confusion: the magician realizes that he's celebrating the wrong holiday... but instead of worrying about it, he simply uses magic to fix the situation!

And when the season changes, the magic changes with it.
