

CHANGE PAD Large by Phuc and Zihu

You display a clipboard and proceed to draw a sketch, or a word, offered to the view of the public.

Now imagine you had the power to surreptitiously distort this ink into something else, and reveal the change to a bewildered audience, what would you do?

We proudly present the **Change Pad**, a durable plastic clipboard allowing you to add any ink morphing effects to your shows.

The pad is available in 2 sizes: **SMALL** for close-up and street performances, **LARGE** for parlor and stage shows.

- Any white-board pens
- Easy to write AND erase, even by a spectator
- Reset in 3 seconds
- Multiple effects: Appear/Disappear, Color Changes, Predictions, Travel In Time, Torn And Restored, Mentalism...

Complete instructional video included: You will learn the handling as well as many routines including "the card rising ink effect", "the killer card prediction", "the haunted pen", and much more!

This secret weapon will bring a creative and visual freshness to your magic.
