

Ali Bongo's Wallet (Brown) by Astor

Created as a tribute to the legendary Ali Bongo and his lasting contribution to the art of magic.

Using the classic principle associated with his work, this elegant wallet allows a banknote to appear inside an otherwise empty wallet, transform into a different denomination, or even reveal up to four different banknotes one at a time.

A practical and versatile effect with multiple presentation possibilities for close up and parlor performances.

Simple, visual, and highly versatile.

Easy to master and perform!

Appear. Transform. Multiply. Spend.

ALSO AVAILABLE IN EUR & GBP

About ALI BONGO

Ali Bongo (William Oliver Wallace 1929-2009) was a legendary British magician, entertainer, and the esteemed President of The Magic Circle.

Famous worldwide for his iconic character "The Shriek of Araby" and his brilliant blend of comedy and magic, he was widely regarded as one of the most inventive minds in the magic community.

As a master trick designer and magic consultant, Ali Bongo created countless unique illusions and props, cementing his legacy as a true genius of modern magic.
