

Ron Bauer Series: #3 - Tony Chaudhuri's Feminine Side - Buch

From the man who's proud to get in touch with your feminine side!

The procedures for this novel item divulge how misdirection, through shrewd subtlety, can alter an audience's perception of sleight-of-hand, making it appear to be completely natural actions. It also demonstrates how topical references can make a card trick seem relevant. Uses any deck of cards.

20-page staplebound booklet.
