

Ron Bauer Series: #7 - Dixie! - Buch

From the man who carries counterfeit confederate money!

Using faux antique keepsakes of the Confederacy, three "Dixie cups" and a completely worthless \$1,000,000,000,000,000,000,000+ bill, you demonstrate the last practical use for Confederate money. Then, depending, on the kindness of strangers, you reveal the True Treasure of the Old South.
