

Ron Bauer Series: #12 - Paul Chosse's Bar Bill Stunt - Buch

From the man who will tip his hat, but not his thumb!

The old "dollar bill stunt" of folding and unfolding a dollar bill to turn it upside-down gets surrealistic when the magician defies certain secret rules of Origami, which temporarily turns the carefully creased currency inside-out!

BONUS: Features Mike Powers' Inverted Bill, so you don't need a Mismade Bill.

36-page staplebound booklet.
