

Productions from Silks - Flower Bouquets

The magician shows the audience four hankies of different colors, tossing them into the air. The audience will thus be able to see that they are simply ordinary hankies. And yet, immediately afterward, from beneath them, the magician will produce four very colorful flower bouquets... for a breathtaking finale!

- It is perfect for any performance and very easy to do.
- The hankies, have very bright colors and measure 60 x 60 cm. The flower bouquets are included.

NOTE: The colors of the bouquets or hankies may be different from those shown in the video and photos.
