

X-Men Playing Cards

Don't be afraid. Premium playing cards inspired by Marvel's legendary team of mutants!

Back to the 90's! The future belongs to the mutants

We're back, baby. Join Cyclops, Wolverine, Storm, Rogue, Gambit, Beast, Jean Grey, Professor X, Magneto, Nightcrawler, Jubilee, and many more in a deck packed with Easter eggs that true X-Men fans will love discovering at every game night.

TO ME, MY X-MEN!

X-Men Playing Cards are a celebration of the bold, larger-than-life artwork that made 90's *X-Men* legendary. Explosive bursts of vibrant color collide with dynamic comic-inspired graphics, creating the feeling that the deck itself was torn straight from the pages of your favorite issue. We're mutant and proud, bub!

Uncanny By Design - The children of the atom

Every card has been completely reimagined with original illustrations inspired by Marvel's greatest mutants. Whether you've followed the team since the classic comics or discovered them through X-Men '97, your next game night will be a KRAK! What do ya say, mon ami... Shall I deal you in?
