

Super Stars Red (Bag of 20) Sponge

A great give away for anybody helping during the show. Call them a Super Star and give them one of these as proof. Their friends will envy them and maybe volunteer for your next routine.

Use them in sponge magic. While they are not super soft they do compress nicely and have the required spring.

An advantage over balls is that they do not roll away.

Approx. 2.5"

Bag of 20
