

The Magician's Pocket Caddy by Charlie Roper

The Magician's Pocket Caddy

is a smart, compact pocket organizer that keeps your essential props organized, protected and ready when you need them. Here are some of the benefits: Carry Like a Pro - Keep your props organized and within easy reach. Access Props with Ease - Find what you need, when you need it.

Ditch the Pocket Clutter - No more loose items jamming your pocket.

Designed for Fast Resets - Get back to performing in seconds.

Your Pocket Optimized - More props. Less bulk. Maximum potential.

The Magician's Pocket Caddy is the ideal utility to carry props like:

- Coins
- Coin Gaffs
- Poker Chips
- Folded cards (card index)
- Thumb Tips
- Lighters
- Rings
- Keys
- Paperclips

Basically any small objects magician's use to perform magic!

The Magician's Pocket Caddy offers an instant reset for the classic coin trick Hopping Halves!

The Magician's Pocket Caddy is approximately 4.125" wide x 4.125" tall and each pocket can hold an object up to the size of a zippo lighter or 4 standard size poker chips.
