

KEVIN STAAB 40TH ANNIVERSARY PIRATE PLAYING CARDS

If you love skateboard art--you surely know skateboard legend Kevin Staab. His iconic graphics are known as being the most desirable to an entire generation of skaters. For the 40th Anniversary of his iconic pirate graphic I have made a completely custom deck of cards to celebrate this legend!

You've struck gold with this deck. TWO FOILS--Staab Purple and Treasure Gold. You won't see a deck this bad ass again. Housed in a custom tuck box featuring deep embossing and spot gloss elements.

The entire 80s Staab Collection is highlighted in this deck of cards. A true celebration of an American Icon.
