

Good Pals Purple Foil Logo Playing Cards

Good Pals Logo Playing Cards

follows on from our previous releases (*Chancers & Halloween Tales*) with a classical approach to playing cards suitable for game play and magic whilst also keeping that Good Pals vibe throughout.

Now you can complete your Logo Volume 2 collection with the additions of the **Purple Logo + Gold King Logo** decks!

The premise of the Purple Logo deck was simple - there simply are not enough purple decks on the market. We believe purple is truly underrated and that's why this deck has come to life

The Purple Logo deck features foil on the card backs + tuck case whereas purple ink is used throughout the face cards as seen on the courts, jokers, hearts & diamonds. The deck also features non-skeletal court cards for a more traditional court card design although still fully custom.

Deck Specs:

- Printed by WJPC on cardistry stock & butter finish.
- Matte tuck box + tuck foiling
- Purple foiled card backs
- Fully custom artwork throughout the deck
