

Dead Shoot Zombie by Ma Arif and Esya G.

Introducing, **DEAD SHOOT ZOMBIE** The perfect mental choice prediction-Halloween edition! from mind Esya G and Ma Arif.

"That's a Clever Method!"

- **Shaun Dunn**

Imagine a spectator choosing a specific target on a zombie. It is a completely free choice-your spectator name any target.

For example, the spectator chooses the "eye" and pretends to shoot at that exact spot.

"Bang!" The prediction is 100% accurate: the zombie's eye actually has a Hole in it!

It's practical, direct, and impossible! It's Easy to learn and easy to perform!

NO FORCING & NO FISHING

NO SWITCH & NO MAGNET

Your prediction feature a REAL HOLE

Great for Halloween shows or Any magic scenes (and works great over Zoom)

WITH DURABILITY WATERPROOF CARD

All necessary gimmicks and video instructions are included!
