

Black Swan by SUN & MJ

Introducing **BLACK SWAN** by MJ & SUN

When this idea first came up, everyone said it was impossible. But they were wrong, and now it's right before our eyes.

SMOKE TO WAND

Smoke takes the shape of an object, and now you can grab it and make it real.

WAND TO SMOKE

Turn the wand into smoke and release it into the air.

FLOATING SMOKE

Control smoke freely in mid-air and let it float like a spirit.

SMOKE WAND

Create smoke right from the wand.

SMOKE DEVICE

Black Swan's smoke device can also be used on its own, bringing smoke to your magic beyond the Black Swan routines.

ROUTINES BY MJ - One Black Swan, Endless Effects

Packed with routines and tips from magician MJ. Many effects aren't even shown in the trailer, so don't miss them.

1. Smoke to Wand (Appearing Effect)
 2. Wand to Smoke (Vanishing Effect)
 3. Floating Smoke
 4. Smoke Wand
 5. Smoke Device Standalone
 6. Effective Wand Manipulation Routine
- BONUS. Automatic Wand Holding
BONUS. MJ's Normal Wand Routine

SAFETY & STABILITY - Bestseller Know-How, Designed for Safety First

Sun Production's smoke products have been a trusted bestseller among magicians for years. Because it uses liquid, we built it so the liquid is completely isolated from the internal circuitry.

- Isolated & Waterproof
The coil and fan are isolated from the circuitry and fully sealed.
- Non-Flammable Coil
Made with fire-resistant fiber to reduce the risk of fire.
- Proven Smoke Tech
The reliability that magicians have trusted in Sun Production.
