

Conscious Magic Episode 1 (T-Rex and Real World) with Ran Pink and Andrew Gerard

"These are two of the most creative mentalists alive. A combination of their thinking is going to prove deadly. Enjoy."

- Colin McLeod

"Possibly the VERY BEST project I've seen in the field of mentalism. No mumbo-jumbo B#@%T - this is the real stuff. Can't wait for the rest of the series."

- Paul Romhany - Editor VANISH MAGIC MAGAZINE

"Not only are the effects strong, but I especially love the dialogue between these two and the insights and subtleties they give away are priceless."

- Haim Goldenberg

"First off, the material Andrew and Ran perform and teach is damn strong! But if there's one lesson you can and should learn while watching them is how they take these pieces to make a connection with the people. This is powerful stuff and the true secret of intimate theater."

- John Carey

"If I had a list of ten mystery artists I'd like to be locked in a room with, Andrew Gerard and Ran Pink would be on that list. They constantly inspire me by stripping effects down to organic seamless simplistic moments of astonishment. To have these two modern day masters brainstorming together is an opportunity I will not miss and neither should you."

- Marc Spelmann

"Gerard has been the greatest influence on my professional career to date. His presentation of 'Out of This World' is the only one I use - I tried to duct tape his mouth to keep it to myself but alas Ran Pink removed the tape... Enjoy."

- Keith Barry

"Not only have I learned some new ideas, but mostly I am inspired to rethink my magic while watching 'Conscious Magic'."

- Patrik Kuffs

"Ran and Andrew share some serious secrets to performing real world material. This is my kind of magic."

- Dynamo

"Our mission with conscious magic is to elevate the art of magic by empowering the performer to have a deeper insight into the process of creating, performing and even thinking about magic on a new level."
