Misled Bill

After performing a few card tricks, take out a banknote, such as a **100 euro bill**!

Fold the banknote in half and insert a playing card into the fold.

Invite your spectators to watch closely.

Hold the card between your thumb and index finger and slowly push it into the banknote… slowly… very slowly!

And then comes the incredible moment: **THE CARD VISIBLY PENETRATES THE BANKNOTE WITHOUT DAMAGING IT!**

Yes, you read that right! The card appears to pass straight through the banknote, penetrating the very material itself!

Unfold the 100 euro bill… it is completely intact!

And that's not all: the banknote is completely ordinary!

Show the playing card too. There's absolutely nothing suspicious about it!

AN INCREDIBLE ILLUSION!

Easy to perform and amazingly visual — the gimmick does all the work for you!
