EDEN By Sylvain Mirouf

Card Magic and Mentalism Artistically Meet in a Stunning Journey by Sylvain Mirouf.

EDEN is the latest creation from Sylvain Mirouf - one of the most imaginative and innovative magicians in France - brought to you exclusively by Magic Dream. Sylvain is known, among other things, for the quality of the stories he loves to tell his audiences and this effect is no exception. It’s more than a trick - it’s an experience your audience will never forget.

The deck itself is printed by the United States Playing Card Company on premium Bicycle stock - built to last and handle beautifully. Along with the deck, you’ll receive ten art cards depicting signed famous masterpieces from some of history’s greatest painters.

Here’s the effect:
Your spectator freely chooses one of the famous paintings, then thinks of any playing card - and yes, it’s a completely free choice. They name the card aloud. You spread the deck slowly, and their chosen picture slowly appears!

But the real kicker? After a few moments of suspense, the spectator’s chosen card is revealed as part of the artwork itself - embedded right in the middle of the painting. A poetic, visual, and completely inexplicable routine, perfect for close-up performance. More than a magic trick, it's a story and revelations that your audience will remember.

Michelangelo’s Creation of Adam isn’t just for the Sistine Chapel anymore - it fits right in your pocket.

What makes EDEN special:
A truly free choice of card - no forcing involved
No complex manipulation (beginner friendly)
Instand reset
Bicycle-quality cards
Big reactions from audiences
Versatile art cards you can incorporate into other routines
