Cube Card By Tora Magic

A fascinating magic idea conceived by the great magician Tommy Wonder and now produced by Tora Magic!

The box contains several cubes featuring random card pips and pieces of playing cards. Close the door of the box and ask a spectator to choose a card. Then, open the box to reveal an amazing magical surprise: the cubes have magically arranged and magically match the spectator’s chosen card!

A clever and intriguing effect that will leave your audience wondering how it’s possible.
