Stop Light Paddle (Brown) by Gentlemen's Magic

Key Features

- Highly commercial, this effect is perfect for close-up magic, cocktail parties, and table-hopping performances.
- Instant impact with an elegant, compact prop that's easy to carry anywhere.
- A short, powerful, and visual routine that delivers exactly the reactions every magician hopes for: looks of disbelief, smiles, and that one question we all love to hear... "Wait... how is that even possible?"
