

Silk Poke Vanisher trick Magic by Gosh

Effect

The magician shows both of his hands empty and removes an 18" silk handkerchief. He pushes the silk into his closed fist with the aid of a pencil. When the magician opens his hand, the silk has completely vanished!

An easy vanishing device for an 18 inch (or a few smaller) silk or Super Soft Sponges. Can also be used for color changes or simple transformations.

Comes complete with gimmick and instructions.
