

## Himber Ring

The magician borrows some rings from the audience and chains 3 of them together, showing them to the audience; incredibly the rings are loosened and given back to their owners safe and sound. Nobody will be able to find out the secret.

This item is supplied with very good instructions, written by Tony Binarelli, including some pills of the history of the effect, tips about the presentation and psychological expedients, etc.

- A high quality item, don't miss it!
